What type of insurance is this?

It is an insurance for glasses, which protects you against financial risks related to the damage or loss/theft of the glasses.

What is insured?

- ✓ This policy covers the costs for replacement of your glasses, or the insured parts of your glasses as a result of accidental damage or wear and tear that is not covered by any manufacturer warranty or any other guarantee or insurance during the period of cover.
- ✓ Replacement of insured parts of your glasses includes fitting or installation services.
- ✓ The loss or theft of your glasses is insured. The insured components of the glasses will be replaced through new components of the same type and quality.
- ✓ Maximum up to the amount of the sum insured minus customer excess.
- ✓ The glasses are covered up to the retail price before any discounts, including any Value Added Tax.
- ✓ Only the insured components of your glasses are insured. You will find these in the General Insurance Terms and Conditions.

What is not insured?

- ✗ Deliberate damages.
- ✗ Replacements carried out by persons not authorized by Vision Express.

Are there any restrictions on cover?

- ! The customer will pay an excess of 25 % (50 % by loss or theft) of the replacement cost of the glasses.
- ! Any costs suffered by you as a result of not being able to use your glasses, or any costs other than cost for replacement of insured parts of your glasses.
- ! Damages, which are compensated for within your legal guarantee rights, through manufacturer's guarantee or through Vision Express Ireland.

Where am I covered?

- ✓ The insurance cover applies worldwide.

What are my obligations?

- ✓ Please inform Vision Express Ireland immediately about a claim.

When and how do I pay?

The agreed premium is to be paid when you purchase your glasses and the insurance contract. It may be paid in cash or through another payment method.

When does cover start and end?

The insurance cover will begin when you purchase your glasses including the insurance contract. The contract is concluded for the period of 2 years for prescription glasses or sunglasses (excluding pairs with Stellest Lenses) and 1 year for non-prescription glasses or sunglasses or those with Stellest Lenses. The insurance cover will not end on occurrence of a claim. If Vision Express replaces your glasses in the event of a claim, then the cover from this insurance contract will pass to the substitute glasses for the remaining term.

How do I cancel the contract?

You may cancel your insurance contract within 100 days of purchase. Otherwise there is no ordinary right of termination.

1. What is covered under this Policy

1.1 This Policy covers the costs for replacement of your glasses, or the insured parts of your glasses as a result of:

- accidental damage or wear and tear that is not covered by any manufacturer warranty, any other guarantee or insurance during the period of cover
- or loss or theft of the glasses

up to the retail price before any discounts including any Value Added Tax (the "**Insured Sum**").

1.2 Replacement of insured parts of your glasses includes fitting or installation services.

2. What is not covered under this Policy

2.1 This Policy will not cover costs for replacement of your glasses or insured parts of your glasses for:

- work which relates to a manufacturing defect or the recall of the glasses by the manufacturer or supplier
- replacements carried out by persons not authorized by VE
- damage caused by deliberate damage to, or neglect of, your glasses or not taking reasonable precautions to prevent any damage to your glasses
- the replacement of lenses due to a change in your prescription
- any costs suffered by you as a result of not being able to use your glasses, or any costs other than cost for replacement of insured parts of your glasses

3. General conditions and limitations

3.1 In the event of a claim where your glasses have not been lost or stolen but need to be replaced entirely (total economic loss) you will receive a replacement set of glasses of the same type and quality up to the Insured Sum.

In the event of a claim where only an insured part needs to be replaced we will replace this part.

If you make a claim we ask you to make a contribution towards each claim under this policy (the “**Excess**”) which is 25% of the Insured Sum if you receive a replacement set of glasses and 25% of the value of the insured part where we replace the damaged part. Your Excess will however not exceed a maximum of 25% of the Insured Sum.

In the event of loss or theft you will receive a replacement set of glasses of the same type and quality up to the Insured Sum.

In case of loss or theft of the insured glasses your Excess is 50% and any eventual cost of the new glasses is calculated as follows:

If the list price of the new glasses is equal to or exceeds the list price of the insured glasses, the value of the replacement glasses will be a maximum of the list price of the original insured glasses, less your excess of 50% of the insured sum.

If the list price for the new glasses is lower than the list price of the insured glasses, your excess is 50% of the actual list price for the new glasses and no further payments are necessary.

3.2 If your glasses or the insured parts of your glasses prove to be not possible to replace, or an identical set of glasses is not available at VE’s stores, VE will replace them with an equivalent product subject to you paying the Excess set out at Section 3.1 above.

3.3 If you choose to upgrade your glasses, the difference between the Insured Sum and the retail price before any discounts of the new pair must be paid by you in full together with any applicable Excess.

3.4 If VE replace your glasses following a claim made by you, the cover provided by this Policy will continue in respect of the replaced glasses for the remainder of the period of cover and subject to the terms and conditions of this Policy.

3.5 This Policy must be applied for prior to the purchase of your glasses, either when you order your glasses or when you make payment or when you take possession of your glasses.

3.6 If you receive replacement glasses because it is considered uneconomical or not possible to replace parts, then VE may, take possession of your original glasses provided they have not been lost or stolen

3.7 It is a condition precedent of this Policy that you must take all reasonable precautions to prevent any damage to your glasses.

3.8 This Policy cannot be transferred to any other person or persons.

3.9 If you purchased your glasses through VE **in the UK or Jersey** this Policy shall be governed by English Law and shall be subject to the exclusive jurisdiction of the English Courts.
If you purchased your glasses from VE **in Ireland** this Policy shall be governed by the Laws of Ireland and shall be subject to the exclusive jurisdiction of the Irish courts.

3.10 This Policy shall not give any person who is not a party to it any right to enforce any of its provisions.

3.11 The risk carriers may vary the terms and conditions of this Policy, at any time in the risk carriers’ sole discretion, in the event that it is considered necessary or if there is an event outside the control of the risk carriers which may have an impact on future claims and which could not have been reasonably foreseen when the risk carriers last reviewed the cover terms and premiums or in the event of any change in law or regulation or a decision of the Financial Ombudsman Service or the Financial Services and Pensions Ombudsman affecting this

Policy, for example a change in Insurance Premium Tax or other tax. Before the risk carriers make any proposed change the risk carriers will give 30 days' notice in writing to you at the address you provided when purchasing this Policy. Any changes shall take effect once you have provided written confirmation of your acceptance. If you do not accept the proposed changes you may cancel this Policy by providing notice to the relevant risk carrier using the contact details provided below. In the event of cancellation any premium you have paid and unused at the date of cancellation shall be returned to you.

3.14 In Ireland, all monies which may become payable by ERGO Direkt under this Policy will be paid in Euros.

3.15 Embargo Provisions

3.15.1 In the United Kingdom or Jersey we will not provide any benefit under this contract of insurance if doing so would expose us to any sanction, prohibition or restriction under any United Nations resolutions, or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States of America or any other jurisdiction whose laws we are legally obligated to comply with.

3.15.2 In Ireland, irrespective of the other contractual provisions, insurance cover only exists if and for as long as there are no economic, trade or financial sanctions or embargoes of the European Union or the Federal Republic of Germany that are directly applicable to the contracting parties. This also applies to economic, trade or financial sanctions or embargoes by the United States of America, insofar as this does not conflict with the legal provisions of the European Union or the Federal Republic of Germany.
